

MUSIC SELECTION

Mainstream Sound offers a large library of over **10,000** song titles in all music formats which will always include **the current Top 40 Hits**.

If you hear it on the radio, we have it!!!

To assist you in your requests, we offer a complete alphabetical play list by song title or singer/group.

We play your requests!!!

Note: Generally time permits playing 50 songs during a three hour dance. We sometimes get over 200 requests. When this occurs, we will play the most popular requested songs.

SOUND & LIGHTS

Our package includes total digital sound played through a **2400** watt Peavey bi-amped stereo amplification system. This package will include two subwoofer and two main speaker cabinets. Computer controlled light towers display colored flood lights and forty-eight inch Black Lights. Special effect lighting include a Strobe, Avenger, Vertigo, and Hide and Seek light show, Four Graphic Lasers, Four Sparkles, Four Mini Gems, three Pocket scans, a Fiber Optic Light, Fog Machine, Bubble Machine, and Mirror Ball. (Shows may vary).

Everything is included! There is no extra cost for special equipment!

Dear Customer,

Thank you for your interest in **Mainstream Sound Mobile DJ Service**. We would be more than happy to provide disc jockey service for your wedding dance or reception and dance.

We will provide announcements during your reception and wedding dance if you like. These include announcing the entrance of the bridal party upon their arrival to the dance and emcee service for the reception. We will announce the bride and groom's first dance, dance with the parents, throwing of the bouquet and garter, etc. If you are interested, we will play a **Dollar Dance** where friends and family pay a small token to dance with the bride and groom.

Tom & Karen Brosius, owners and operators of Mainstream Sound, are only interested in your wedding's success. We will play the music you, your family, and friends want to hear.

Thank you!
